## EXPERIENCE

- React JS Intern (Virtual), *Slash Mark IT Solutions (OPC) Pvt. Ltd.*** - April 2024 – August 2024
- Developed and deployed a personal portfolio website using ReactJS, HTML5, CSS3, and JavaScript.
  - Showcased projects, skills, and achievements with a professional and interactive UI.
  - Deployed Portfolio : <https://my-profile-two-blush.vercel.app>
- 🔗 GitHub : <https://github.com/RashidDeveloper786/my-portfolio>

## PROJECTS

### PG Management System – Full Stack Application (React.js, Spring Boot, MySQL, REST APIs)

- Developed end-to-end PG management solution with token-based authentication system.
  - Implemented RESTful APIs using Spring Boot for CRUD operations on guest, room, and payment data.
  - Built responsive React.js frontend with dashboard analytics and real-time status updates.
  - Integrated MySQL database with Hibernate ORM for persistent data storage and relationships.
  - Created owner-only access portal with secure token validation for administrative functions.
- 🔗 GitHub: <https://github.com/RashidDeveloper786/PGMS>

### Blog Application (Spring Boot, REST APIs, JWT, MySQL)

- Developed a full-stack blog application supporting create, read, update, and delete (CRUD) operations.
  - Implemented JWT-based authentication for secure user access.
  - Designed REST APIs and integrated MySQL for persistent data storage.
  - Applied OOP principles and clean, maintainable coding practices.
- 🔗 GitHub: <https://github.com/RashidDeveloper786/Blog-App>

## CERTIFICATIONS

- **Programming in Java:** Successfully completed the NPTEL course conducted by IIT Kharagpur, earning an Elite + Gold certification with a consolidated score of **94%**. ([Link](#))
